

Aurora Centre Pivot Roof Window & Flashing Kit

The Aurora Centre Pivot Roof Window with Pine Finish is the ideal alternative to Velux, Rooflite, Fakro, Keylite and any major brands of roof windows.

The Aurora benefits from:

- Aurora 10 year Manufacturers Guarantee which is fully transferrable
- Convenient way to use the window as the handle is located at the bottom of the sash
- Easy cleaning of the outer pane. Comes with two additional locking positions for passive ventilation
- Installation in roof pitches from 15 to 90 degrees
- All roof windows are fully tested and certified & Aurora benefits from a U value of 1.5 W/m²k giving excellent insulation
- A full range of blinds to compliment our roof windows are available
